ACCA stands for **Association of Chartered Certified Accountants**,
a leading international accountancy body.

Founded in 1904, the Association of Chartered Certified Accountants (ACCA) is the global professional accounting body which offers Chartered Certified Accountant qualification (ACCA or FCCA)

To achieve ACCA qualification one needs to complete 13 exams, an ethics module and gain 36 months of practical experience (before, during or after qualification).

Benefits of becoming an ACCA

01

Be an ACCA within 2-3 years along with B Sc in Applied Accounting from Oxford Brookes University and also become CPA Canada or member CAANZ Australia through mutual recognition agreements.

02

Be one of more than 200,000 global members and 500,000 students pursuing ACCA qualification globally.

03

ACCA can be pursued after X and XII and is equivalent to a master's degree and makes one eligible to get direct admission in MBA in Canada & UK..
